

THE DREAM HAUNTERS

A METAPHYSICAL MYSTERY OF MAGICK
BY MEGAN MARY

“A compelling metaphysical adventure story.” -The BookLife Prize

Hannah Skye, a young woman in search of meaning, receives a cryptic letter from her missing and eccentric Aunt Jewelia. Her experience of a recurring powerful pumpkin patch dream unfolds into a spiritual journey to a mysterious island of eternal autumn, Maple Hollow, where she discovers the mystical Skye Manor and her magickal family legacy.

Haunted by shapeshifters bent on trapping people in their nightmares, Hannah, with the help of wise villagers and feline companions (including a talking cat dream guide), must solve the riddle, unlock her powers, and dive into the dream dimension to save her aunt by Halloween night, when the veil between the worlds is thinnest.

Escape into this metaphysical mystery of magick, where spells, music, and dreams converge in a vortex of secret societies and spiritual inheritance. Travel beyond time and space into a world of unexpected portals, ancient traditions, and dreamscapes.
