It's Mercury Retrograde again, and the night of the great 9/9/9 portal. Skye Manor hosts an exclusive dinner party to celebrate. But something goes terribly wrong. Dinner guests are disappearing faster than Hannah and Jewelia can search for clues.

A new sinister force is at play. Morgan is in danger, and visiting Jezebelle has no idea what she's walking into. To save her friends Hannah will need all the help her animal spirit guides can offer and her trusty dream journal.

Combining the metaphysical themes of duality, portals, mirrors, reflection and illusion, this celestial fall-themed mirror fantasy weaves dreams and mystery into an enchanting tale of magick and self-discovery.
