*Witches of Maple Hollow Trilogy, Book #2*  
By Megan Mary

IDAHO FALLS, ID, UNITED STATES, May 28, 2025  
/EINPresswire.com/ -- The second installment in the international bestselling *Witches of Maple Hollow Trilogy*, ranked as a Top New Release in Dreams and Visionary Fiction, is a surreal, enigmatically layered exploration of identity, beauty and the illusion of reality. Offering fresh twists on the engaging tropes of good vs evil, discovered powers, race against time, spirit guides, talking cats and dream interpretation, it is an immersive and atmospheric read for all ages.

In [The Dream Mirrors: A Metaphysical Mystery of Magick](#), (\$13.99, Inner Realms Publishing, May 2025) author Megan Mary taps philosophy, psychology, astronomy and metaphysical wisdom to craft a story that is both cozily whimsical, while also being profoundly inspirational. Exploring the metaphysical themes of duality, portals, identity, mirrors, and reflection, this supernatural, fall-themed fantasy weaves dreams and mystery into an enchanting tale of magick and self-discovery.

Reminiscent of childhood fables and fairytales, *The Dream Mirrors*, teaches how to understand our dreams while reminding us that true wisdom--and beauty--come from within. Weaving astronomy, numerology and mirrors, Mary ushers us into the fantastical world of eternal autumn, Maple Hollow, and the ancestral mystery of Skye Manor--a sanctuary for personal transformation.

Delving into numerous esoteric topics, themes explored include:

- Commentary on ideological and cultural perceptions of beauty

The Dream Mirrors: A  
Metaphysical Mystery of Magick

- Numerological spiritual significance
- Metaphorical analysis of perspective, reflection and illusion
- Reinvention of psychological dream theories
- Astronomical phenomena and quantum physics concepts
- Themes of insecurity, vanity and the transformative power of ego death

In addition to over 25 years of expertise in digital publishing and marketing, Megan Mary holds an MA in English Literature, certification in British Studies and is pursuing her PhD in Metaphysical Sciences. First-Place Winner of the prestigious International Firebird Book Award 2024, Mary is also a member of the International Association for the Study of Dreams, the Independent Book Publisher's

Association and the Author's Guild. Her podcast, Women's Dream Enlightenment, has been voted as one of the Top 20 Spiritual Awakening Podcasts You Must Follow. When she's not dreaming or weaving digital webs, she enjoys spending time with her husband and two magickal cats.
