

THE DREAM DIMENSIONS

A METAPHYSICAL MYSTERY OF MAGICK
BY MEGAN MARY

During a magickal ritual, Hannah Skye receives a prophetic message. She then encounters a series of seven riddles that lead her to discover there is more to her ancestry than she ever imagined.

Meanwhile, someone has been following her, lurking in the shadows. As she works to decipher the prophecy before Halloween night, Hannah discovers and confronts the destructive force that has influenced the course of her life.

A tale of ancestral healing, this fall-themed final installation of the Witches of Maple Hollow Trilogy brings together mystery, astronomy, alchemy, and dreams to illuminate dimensions beyond time and space.
